offers pedagogical techniques for teaching south asian women s writing in english including consideration of colonization and imperialism partition war migration and diaspora tradition and modernity global capitalism climate change gender and sexuality and intersectionality gives syllabus suggestions for undergraduate and graduate courses in postcolonial literature world literature and women s studies

honour based violence and abuse manifests itself in different forms and this book offers a comprehensive understanding of this phenomenon this book argues that the limits of honour crimes must be defined more widely so that they include conducts and behaviours that originate from the patriarchal notion of honour such as honour based oppression and breast ironing the book provides a critical analysis and synthesis of the law in england and wales and in the international human rights sphere the relevant domestic legislation and cases are examined to reflect on whether adequate protection is provided for the victims and potential victims of honour based violence and abuse since honour based violence is a violation of human rights the relevant international human rights law is examined to illustrate the perception of such crimes in the international arena the effectiveness of any remedy for victims of honour based violence

and abuse depends on its capability to change deep rooted behaviours in communities with honour based patriarchal values this book argues that the law does not provide the effective impact required in part due to patriarchal structures and that more efforts should be dedicated to changes in education it is held that there is a need for an educational programme that is especially designed to tackle violence and promote gender equality the book will be essential reading for academics researchers and policy makers working in the areas of human rights law criminal law and gender studies

shaped by sound literary and historical scholarship the broadview anthology of british literature takes a fresh approach to many canonical authors and includes a broad selection of work by lesser known writers the anthology also provides wide ranging coverage of the worldwide connections of british literature and it pays attention throughout to matters such as race gender class and sexual orientation the full anthology comprises six bound volumes together with an extensive website component a passcode to access the latter is included with the purchase of one or more of the bound volumes a two volume concise edition and a one volume compact edition are also available highlights of volume 5 the victorian era include the complete texts of in memoriam a h h the importance of being earnest carmilla and strange case of dr jekyll and mr hyde as well as contexts sections on work and poverty women in society sexuality in the victorian era nature and the environment the new woman and britain empire and a wider world the third edition also offers expanded representation of writers of color including mary prince mary seacole toru dutt and rabindranath tagore

the american journal of islamic social sciences ajiss established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the international institute of islamic thought iiit and distributed worldwide the journal showcases a wide variety of scholarly research on all facets of islam and the muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional islam

spanning scholarly contributions from india nepal bangladesh pakistan and sri lanka this edited volume seeks to capture and elucidate the distinct challenges approaches and possible solutions associated with interpreting adapting and applying language in education policies in a range of linguistically complex teaching and learning environments across south asia centring on the ground perspectives of scholars practitioners pupils parents and the larger community the volume offers new insights into one of the most complex populous and diverse multilingual educational contexts in the world language in education policies and practices within this setting represent particularly high stakes issues playing a pivotal role in determining access to literacy thereby forming a critical pivot in the reproduction of educational inequality the broad aim of the collection is thus to highlight the pedagogical practical ideological and identity related implications arising from current language in education policies in this region with the aim of illustrating how systemic inequality is intertwined with such policies and their associated interpretations aimed at both academics and practitioners whether researchers and students in the fields of education linguistics sociology anthropology or south asian studies on the one hand or language policy advisors curriculum developers teacher educators teachers and members of funding bodies aid providers or ngos on the other it is anticipated that the accounts in this volume will offer

their readership opportunities to consider their wider implications and applications across other rich multilingual settings be these local regional national or global

this book presents a navigating framework of legal culture and legality to facilitate a comprehensive understanding of the english and australian determination of the grounds of judicial review this book facilitates tangible process of how and why jurisdictional error jurisdictional fact proportionality and substantive legitimate expectations are debatable in english law while they are either completely rejected or firmly entrenched in australian law this book argues that these differences are not just random legality is not just a fig leaf but is profoundly rooted in legal systems legal culture hence it dictates the way in which courts empower justify constrain or limit the scope of judicial review this book presents evidence that courts differ in legal systems and apply diverse ways to determine the scope of judicial review based on their deep understanding of legality which is embedded in the legal culture of their legal system this book uses comparative methodology and develops this framework between english and australian law although obvious and important this book presents a kind of examination that has never been undertaken in this depth and detail before
